Dear Food Vendor,

The **South Jersey Apple Fest** back in September 2019 set an all-time attendance record for B & K Enterprise events going back 17 years. Wow what a turn out! Thousands of festival goers showed up and we sold out of anything apples by noon on Saturday and again on Sunday by 1pm. Customers complained about not enough apples for sale and believe me, there will plenty of apples for 2020. Families also wanted more apple desserts. See ideas below.

We are limiting the food booth spots to 7-8 just like last year. Looking for only 2 wineries to participate.

We had a problem with flies and again we will be addressing that issue with spray, fly traps and additional safe tactics. Trash will be cleaned up immediately and we will be relocating the dumpster far away from the food area.

Apple Themed Food Items: If you have an apple item at your booth

Please post a large apple sign with what you will be offering. **Examples:** Apple Cider, Apple Pie, Apple Bread, Apple Tarts, Apple Fritters, Apple Cupcakes, Apple Butter, Applesauce, Apple Turnovers or Apple Donuts.

What's Planned: The Apple Mascot, Apple Pageant, Apple Toss, free hayrides, pony rides, Inflatables for kids, Apple Dessert Contest & free sampling, live music, over 125 vendors, Fall Home Improvement Show, exhibits, baked goods, farm produce, Apple Pie Eating Contest & more!

Hope to see you at the festival!

Kathy, Beau, Anthony & Heather
